EDUCATION

2017
Maryland Institute College of Art (MICA) | Baltimore, MD, USA
Graphic Design BFA Candidate, Summa Cum Laude

EXPERIENCE

2017 August – Current
Junior Designer | Dark Roast Media, New York
Performed market research, brand creation, UX & UI design, and video editing to deliver brands' identity and lifestyle.

2017 June – July
Freelance Designer | Hardly Square, Baltimore, MD
Produced interactive multi-language e-learning animation.

2016 Summer
Visual Design Intern | The Charles NYC, New York
Worked in a cross-functional team to produce responsive websites. Assisted with internal marketing and video production.

2016 January – 2016 May
Designer | Social Design, MICA & Baltimore City Health Department
Through research and interviews with local middle schoolers, our team worked with Baltimore City Health Department to deliver the first iteration of Youth Smoking Prevention Campaign.

2015 Summer
Graphic Design Intern | G49 Limited, Bangkok, Thailand
Collaborated with architects and interior architects to design corporate identity, editorial designs, and signage for important events, shopping centers, and hotels.

2013 & 2014 Summer
Graphic Design Intern | rkd retail/iQ, Bangkok, Thailand
Designed environmental graphic, retail signage, packaging, and corporate identity.

LEADERSHIP

2017 January – 2017 May
President Task Force for Diversity, Equity, Inclusion & Globalization | MICA
Being part of the committee who outlined changes in the school's system. Provided events that raised cultural awareness and brought the Baltimore community to MICA's student body.

2014 January – 2016 May
Mentor for ESL students | Voice and Vision, MICA
Discussed differences in cultures. Assisted new international students at MICA.

2014 August – 2015 May
Program Manager | Student Activities Office, MICA
Worked as a team to organize events and plan marketing strategies.
Collaborated with other organizations and engaged with the Baltimore community.

RECOGNITION

2015: Student Program of the Year | International Alumni Panel, MICA
2015: Leadership Recognition, MICA
2014 – 2015: Foundation Departmental Recognition Award, MICA
2013 – 2017: Academic Achievement Award, MICA

ABOUT ME

Hi! I enjoy creating graphic and interactive designs that are human-centered, innovative, fun, and solve existing problems. Growing up in Thailand, New Zealand, and the United States provides my work with a wide range of cultural vitality, strengthening my design skills. In my free time, I travel and construct biodegradable sculptures.
